

# Have Your Say

**Active Bucks** wants to help get everyone moving more every day. To achieve this we want to develop more fun, local and affordable opportunities to inspire **YOU** to get more active in **YOUR** local area.

Whether you are regularly active, would like to do more, or do nothing at all - we want to hear from you.

What would help get you more active?

Have your say on how activity funding should be spent locally

What opportunities do you want locally?

Get involved in your local community

Meet other local people

Could you give some time to help us engage and motivate residents in your local area?

If so, you could become one of our **Active Bucks Community Champions**. You'll learn new skills and be rewarded for your time through earning Time Credits.

Visit the **Active Bucks** webpage to find out more.

**Find out how to get involved and what's happening in your local area:**
