5. APPROVAL OF AN EXTENSION TO THE CLOSING DATE FOR THE TENDER FOR LED LIGHTS ON THE CONTRACT FINDERS WEBSITE

6. THE TOWN COUNCIL'S POSITION ON A MEMORANDUM WITH NETWORK RAIL CONCERNING AN UNDERPASS AT WADES PARK.

Cllr M Walsh proposed the following position -The Town Council is supportive of the delivery of the underpass from Wades Park to the new development, and will use its land ownership of Wades Park to facilitate that delivery. It would not be looking for any financial gain from this – but also expect that it will not be out of pocket, with any reasonable fees being paid by the project.

The Town Council has not yet finished its masterplan for Wades Park, and would need any new alignment of the public right of way to be located in a way that does not limit the ability of the Park to be used for formal pitch provision.

The Town Council expect to be involved in any Memorandum of Understanding or similar agreements with the other parties, and look forward to taking an active and positive role in delivering the project.

Seconded by Cllr A Turner. All present agreed. The Clerk is requested to advise the Head of Planning and Sustainability at Wycombe District Council. SG

Resolved: To adopt the above position concerning a proposed underpass at Wades Park.

The next meeting of the Town Council will take place on Tuesday 31st January 2017 at 7.00pm in the Princes Centre, Clifford Road, Princes Risborough.

Agenda Item No 8 .

~~Subject: Princes Risborough station~~

Dear Sir/Madam,

In recent weeks I have been in discussion with the Chinnor and Princes Risborough railway about setting up a station adoption group at Princes Risborough station.

We are keen to get the local communities involved in our stations to ensure that they are gateways to the towns and villages which they serve. At Chiltern Railways stations in the West Midlands, station adoption groups have done fantastic work looking after station gardens, undertaking projects with local schools, art displays and book exchanges to name but a few. These all contribute to giving the community a sense of ownership of the stations.

If you are interested I would like to convene a meeting to discuss how this might be taken forward.

Please do not hesitate to contact me if you require any further details.

Kind regards,
