## Section 4 – Annual internal audit report 2012/13 to

PRINCES RISSOROUGH TOWN COUNCIL

The council's internal audit, acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year ended 31 March 2013.

Internal audit has been carried out in accordance with the council's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. Set out below are the objectives of internal control and alongside are the internal audit conclusions on whether, in all significant respects, the control objectives were being achieved throughout the financial year to a standard adequate to meet the needs of the council.

- A Appropriate books of account have been kept properly throughout the year.
- B The council's financial regulations have been met, payments were supported by invoices, all expenditure was approved and VAT was appropriately accounted for.
- C The council assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.
- The annual precept requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.
- E Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.
- Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.
- G Salaries to employees and allowances to members were paid in accordance with council approvals, and PAYE and NI requirements were properly applied.
- H Asset and investments registers were complete and accurate and properly maintained.
- Periodic and year-end bank account reconciliations were properly carried out.
- Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, were supported by an adequate audit trail from underlying records, and where appropriate debtors and creditors were properly recorded.
- K Trust funds (including charitable) The council met its responsibilities as a trustee.

For any other risk areas identified by the council (list any other risk areas below or on separate sheets if needed) adequate controls existed:

Name of person who carried out the internal audit

Signature of person who carried out the internal au

\*Note: If the response is 'no' please state the implication weakness in control identified (add separate sheets if needed).

\*\*Note: If the response is 'not covered' please state when the most recent internal audit work was done in this area and when it is next planned, or, if coverage is not required, internal audit must explain why not (add separate sheets if needed).

#### Guidance notes on completing the 2012/13 annual return

- You must apply proper practices for preparing this annual return. Proper practices are found in the Practitioners' Guide\* which is updated from time to time and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines if you want to talk through any problem you encounter.
- 2 Make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are drawn to the attention of and approved by the council, properly initialled and an explanation is provided to the external auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 3 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it to the external auditor.
- Do not send the external auditor any information not specifically asked for. Doing so is not helpful. However, you must notify the external auditor of any change of Clerk, Responsible Finance Officer or Chair.
- Make sure that the copy of the bank reconciliation which you send to your external auditor with the annual return covers all your bank accounts. If your council holds any short-term investments, note their value on the bank reconciliation. The external auditor must be able to agree your bank reconciliation to Box 8 on the Accounting Statements (Section 1). You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide\**.
- **Exp!ain fully** significant variances in the accounting statements on page 2. Do not just send in a copy of your detailed accounting records instead of this explanation. The external auditor wants to know that **you** understand the reasons for all variances. Include complete analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guide\** to assist you.
- If the external auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 8 Make sure that your accounting statements add up and the balance carried forward from the previous year (Box 7 of 2012) equals the balance brought forward in the current year (Box 1 of 2013).
- 9 Do not complete section 3. The external auditor will complete it at the conclusion of the audit.
