

Princes Risborough Town Council
Sickness and Absence Policy

1. AIM OF POLICY

This policy is designed to assist the Council in effectively managing sickness-related and other staff absence. The Council recognises the importance of ensuring that employees are supported through any periods of absence and their subsequent return to work. Through an effective Sickness and Absence Policy, the Council will be better positioned to identify any potentially unsafe work practices, any issues affecting employee morale and any other underlying problems employees may be facing.

SICKNESS

2. Notification of sickness

- 2.1 If an employee is unable to come to work for any reason, they must inform the Council by contacting The Clerk one hour before the time they would normally be due to start work on the first day of absence.
- 2.2 Employees should speak to their manager personally i.e. calls on the employee's behalf from a friend/partner/parent and texting or emailing the manager will only be acceptable in exceptional circumstances.
- 2.3 The employee should indicate the reason for their absence, its likely duration and when the illness started.
- 2.4 In the event that the employee's absence continues for a number of days or weeks, they must maintain regular contact with the Council to keep the Council informed of the reasons for their ongoing absence and the date when they expect to be able to return to work. In such cases the employee should specify how the Council can contact them if necessary, ideally leaving a landline number on which they can be contacted.

3. Certification of sickness

- 3.1 All periods of absence through sickness must be certified by the Council's sickness self-certification form. The completed form should indicate actual days of sickness, even if they include days when the employee would not normally have worked (e.g. weekends and public holidays).
- 3.2 For sickness absences of up to 7 calendar days, the self-certification form should be completed by the employee upon their return to work and handed to The Clerk
- 3.3 For sickness absence of more than 7 calendar days, the employee must also provide a medical certificate [the statutory Form Med 3] also referred to as a 'fit note'. This will provide us with more information about your condition, and let us know whether your GP or medical provider considers that you are not 'fit for work', or 'may be fit for work taking account of the following advice'. Subsequent medical certificates must be produced as necessary to cover the total duration of the period of absence. As a minimum, employees should contact their manager on a weekly basis to provide an update on the injury or illness.

4. Long-Term and Persistent Absence

- 4.1 The Council will treat as long-term absence any period of extensive absence due to serious or significant illness over a prolonged period. Persistent absence may consist of a series of unconnected short-term illnesses. Where the Council is of the opinion that a period of absence is long-term, it will inform the employee of such and:
 - 4.1.1 require that the employee keep in regular contact with the Council, at such intervals as agreed between the Council and the employee; and
 - 4.1.2 Ensure that the employee is kept informed as to any possible threat to their employment.
- 4.2 The Council reserves the right to request a home visit where the illness is long-term. The purpose of the visit will be to discuss possibilities for a return to work and to discover whether the Council can assist in facilitating this.
- 4.3 The Council will treat as persistent absence a series of unconnected short-term illnesses.
- 4.4 It may be necessary in incidences of long-term or persistent absence to treat the matter as an issue of capability or conduct. In such circumstances the Council will:
 - 4.4.1 investigate the absence through "Return to Work Interviews" and the obtaining of medical reports;
 - 4.4.2 set time limits on the assessment of the employee and keep him or her informed of such;
 - 4.4.3 consider adjustments to the job in order to facilitate a return to work or to allow the employee to do their job more easily, for example the implementation of flexible working arrangements;
 - 4.4.4 Consider whether the illness amounts to a disability. Where it is found to do so the employee shall fall under the scope of the Council's Equal Opportunities and Diversity Policy, the Council shall make such reasonable adjustments as are necessary; and
 - 4.4.5 Keep the employee informed in all the circumstance of any threat to their employment.
- 4.5 Where the Council requires medical reports relating to an absence it will either:
 - 4.5.1 request that the employee undergo an independent medical examination with the Occupational Health Service; or
 - 4.5.2 Obtain a report from the employee's doctor, subject to employee consent.

In either case the employee may refuse to attend or refuse to consent to the release of a medical report, or request that corrections are made. Employees are reminded however that any decision regarding their future which could result in dismissal will be taken on the basis of the information available to the Council.
- 4.6 The Council will hold all medical reports and related information obtained under Clause 4.5 as private and confidential.
- 4.7 The Council stresses that dismissal will only ever be taken as a last resort. Where however the absence is found to be a matter of misconduct, the employee will be subject to the Council's Disciplinary Procedure.

5. **Return to Work Interviews**

The Council shall decide, after any absence due to sickness, whether the employee is required to attend a return to work interview with their manager in order to:

- 5.1 ensure the employee's fitness to return to work;
- 5.2 agree any necessary actions required to facilitate the employee's return to work;
- 5.3 ensure the proper certificates have been completed/obtained in respect of the entire period of absence; and
- 5.4 Discuss any problems that may exist.

At the return to work interview, employees may be set reasonable targets and time limits for an improvement in attendance. A failure to improve may result in disciplinary action.

- 7.2 Where the Council makes full payment in times of illness or injury, this includes any entitlement to statutory sick pay (SSP). Where the Council pays half pay, SSP will be added but the total of Council pay and SSP will not exceed normal full basic pay.
- 7.3 The employee will forfeit entitlement to CSP if:
 - 7.3.1 They fail to comply with notification and certification requirements;
